Middleburg Kennel Club All-Breed Show & Annual Meeting
Oatlands Plantation Leesburg, VA October 26 - 27, 2013**

The MALC had a great Saturday show at the gorgeous Oatlands plantation in Leesburg, VA - a wonderful family reunion with some amazing Leos. Dr. Brown judged the entry and seemed to really like the "girls". Dancer was awarded Best of Breed, and placed Fourth in Group. The Townsends' Fio was awarded Best of Winners and earned her championship. After the show, we had our annual meeting and BBQ. Morgan Williams put together an amazing raffle. Harry Austin grilled some delicious brats and burgers. Everyone marveled at the rosettes and trophies that Kathleen and Cindy put together. We enjoyed a really big entry and exhibitors at the show seemed to enjoy the "Leo Invasion". Perfect Leo weather was at hand. The Mid-Atlantic Leonberger Club of Virginia extends our thanks to everyone who lent their support.

October 27, 2013

The weather warmed up Sunday and we had a very relaxed ring. With so many Leos to choose from, it was no surprise that Ms. Myer made different choices and really looked at our younger up and comers. Barnabas took BOB at just 16 months of age! Fio, Porter, and Kier Royale were other youthful Leos that were awarded honors. As with Saturday, 5 point majors and GCH majors went around the ring. Thanks to everyone who supported the show!
